Patient Group	Initial	Review/Subsequent
Private	\$140	\$90
Team Care Arrangement	\$140 (rebate available)	\$90 (rebate available)

Medicare Rebates

Medicare provides a rebate of **\$52.95** per consultation for patients who have been referred to a Dietitian by their doctor on a Chronic Disease Management Plan (or Team Care Arrangement -TCA). General Practitioners must develop the plan prior to the appointment for patients to be eligible for the rebate. Medicare rebate available on the day.

Private Health Rebates

Most private health funds provide rebates for visits to Dietitians. The rebate is variable and depends on the health insurance provider and the level of cover. Patients should contact their health care provider to check their entitlements.

CANCELLATION POLICY

At least 48 hours notice is required for all cancellations or rescheduling of your appointments. A **cancellation fee of 50% of the fee may be charged** for missed appointments or appointments which are cancelled or rescheduled with less than the minimum notice. Cancellation fees exist to ensure all appointments times are kept available for clients who need them.
